

BIRMINGHAM ASSOCIATION OF REALTORS

AFFILIATE MEMBERSHIP BENEFITS

Belonging to the Birmingham Association of REALTORS® offers you **more** than just **valuable services**. Your belonging says to the general public that you are a **professional**. And, by sharing a portion of your valuable time and talents through active involvement in your Association, you can make your profession work more efficiently. There are many reasons to belong, and here are just a few:

Affiliate Roster:

One of the most practical tools used by REALTORS® is the Affiliate Roster, updated monthly. The roster is divided by services offered, such as appraisal, home inspectors, legal services, lending and mortgage, etc. This is a handy quick reference tool for your current and potential customers and clients to find you.

Advertising:

Picture yourself advertising in the online REALTOR® of Central Alabama magazine. Your official magazine is an inexpensive networking tool for you to use.

Committee Participation

Members have the opportunity to develop and enhance their leadership skills through participation in committee leadership roles and task force and work group appointments.

Networking & Events

Attend member-organized events throughout the year that cover a wide range of interests. Events support interaction among members, affiliates and vendors. Members are encouraged to provide input on future events or programs they'd like to attend that would assist them with their businesses.

Membership Meetings & Luncheons

These meetings are held for the benefit of the membership at large and include programs showcasing timely topics, awards, renown speakers, lunch, required membership votes and more.

Awards & Recognition

BAR's members achieve a great deal that deserves to be recognized. Each year we recognize an Affiliate or Affiliate Associate member who exemplifies professionalism, knowledge, and demonstrates a high degree of ethics and service to Realtors®. Annually we host our Affiliate Members at an appreciation lunch or dinner. We also encourage members to pursue *REALTOR® Magazine's* Good Neighbor Award, which recognizes "extraordinary commitments to improving the quality of life in their communities."

Professional Management & Expert Answers

BAR's top-notch, professional staff ensures tools, products, programs, services and other member benefits are delivered in the most cost-effective manner. On-staff experts field your questions and guide you to the best possible answers. Our community outreach program brings the association to you and your office, to share information and gain feedback.

If you are interested in joining please call 205-871-1911 or email membership@birminghamrealtors.com.
