NEWS RELEASE

BIRMINGHAM ASSOCIATION OF REALTORS AWARDED PLATINUM GLOBAL ACHIEVEMENT PROGRAM AWARD BY NATIONAL ASSOCIATION OF REALTORS®

The Central Alabama Global Alliance (CAGA) of the Birmingham Association of REALTORS® (BAR) has been awarded the Platinum Global Achievement Program Award from the National Association of REALTORS®. This places the CAGA in the top 10% of Global Councils nationwide.

The CAGA has shown the highest level of service to its members by consistently providing them with the tools they need to excel in international real estate, as well as connecting members to the global opportunities in the local market. The services and resources they have worked hard to provide their members are the benchmarks upon which the standards have been set. This year's governing council was chaired by Janet Hamm and vice-chaired by Suanne Nutter.

BAR President, Kim Mangham-Barelare stated "We are honored that our efforts have been recognized on a national level. The CAGA began as a BAR Leadership Academy project and has grown considerably since its inception". BAR CEO, Dr. Dawn Kennedy added, "The highlight of our global alliance is our annual International Business Summit which is open to the public. We hope to continue to build on this cornerstone event."

"We are thankful to the CAGA for their commitment to enhancing global business opportunities for REALTORS® in their market," said Jan Hope, NAR Vice President of Commercial & Global Services. "They have done an outstanding job and we are pleased to provide them with the Platinum Global Achievement Program Award."

The CAGA was formally recognized at the organization's REALTORS® Conference & Expo in Boston, Massachusetts, on November 3, 2018.
